Mushrooming of Ayurvedic Pharmaceutical companies

1534. SHRI RAM AWADHESH SINGH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state

(a) whether Government are considering to check mushrooming of Ayurvedic Medicine producing Pharmaceutical Companies; if so, the details thereof;

(b) whether there are adequate drug testing laboratories to ensure the quality of preparations released to the market; and

(c) whether results of samples drawn and tested have been prepared for the last three years; if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RAFIQUE ALAM): (a) The Government is not aware of any mushroom growth of Ayurvedic medicines producing Pharmaceutical companies.

(b) The Union Government have established a Pharmacopoeial Laboratory for Indian Medicines at Ghaziabad for quality control of ISM Drugs. However, Pharmacopoeial Standards of Ayurvedic drugs are yet to be prescribed. Under the provision of Drugs & Cosmetics Act every State has to appoint a drug analyst and some of the States have already appointed them.

(c) The analysts under the State Drug Control authorities of ISM are examining samples of Ayurvedic Medicines produced by various firms and action is taken wherever necessary.

Primary health care in rural areas

1535. SHRI RAM AWADHESH SINGH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state: whether Government's attention has been drawn to an article by a noted writer Nargis Dalal, which appeared in Times of India on the 4th July, 1989, regarding undue reliance on doctors; if

so, what steps Government are taking to reduce this malaise through energising Primary Health Care in Rural areas?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RAFIQUE ALAM): Yes, Sir. Government have taken steps to place greater emphasis on preventive and promotive aspects of Health Care through Health education measures. As a part of Primary Health Care, Schemes relating to provision of clean drinking water, environmental sanitation, nutritional education and supplementation and for empowering the community to look after minor ailments have been given special thrust. Publications on relevant themes have been brought out and circulated on a large scale emphasizing the adoption of home remedies like Oral Rehydration Therapy for managing diarrhoea. In addition to Health and Medical Institutions, other schemes having focus on maternal and child health, for examine, Integrated Child Development Schemes are in operation in rural and urban areas.

Replacement of tested samples of grease in controllerate of quality assurance

1536. SHRI ATAL BIHARI VAJPAYEE: Will the Minister of DEFENCE be pleased to state?

(a) whether M/s Krishna Grease Manufacturing Co., Calcutta had supplied sub-standard Grease SG-240, worth Rs. 1.50 crores, for Defence use and the same was accepted at supply stage by Sr. Quality Assurance Establishment (GS), Calcutta, under DGQA Organisation;

(b) whether it is a fact that when samples for standard check were being tested at Controllerate of Quality Assurance (Petroleum Products) under DGQA Organisation, the original sub-standard samples were replaced by good samples in Grease Test House, with the collaboration of the Section Officer and the Incharge, to manipulate the test results in favour of the firm and this fraud was detected red-handed on the 27th March, 1989 by the offciating Controller CQA (PP) Kanpur and an inquiry was conducted in the whole affairs; and

(c) if so, what are the findings thereof and what follow-up action has been taken in the matter?

THE MINISTER OF STATE IN THE DEPARTMENT OF DEFENCE PRODUCTION AND SUPPLIES IN THE MINISTRY OF DEFENCE (SHRI D. L. BAITHA): (a) to (c) Against a supply order for Grease SG-240 placed by DGS&D on M/s. Krishna Grease Manufacturing Company, Calcutta 196.455 tonnes valuing Rs. 29,77 lakhs (approx.) were accepted by the Officer-Incharge, 218 Petroleum Contract Unit, Calcutta under the Directorate General of Supplies & Transport, Army Hqrs; who is the Inspecting Officer as per the contract. This acceptance was based on the results of sample tests carried out by the Quality Assurance Establishment (General Stores), Calcutta, of the DGQA Organisation.

Subsequently some samples were drawn by the Controllerate of Quality Assurance (Petroleum Products) for carrying out standard checks, from the supplies after receipt at the consignee's end. A complaint was received that some of the standard check samples had been changed in the Test House of CQA(PP). On a preliminary enquiry into this complaint it was found that there was *prima facie* evidence of some samples having been changed. Fresh standard checks of samples were drawn and tested and these were found to be not in conformity with the specifications and all the batches from which samples were drawn were rejected. Further, all consignments accepted against this order were frozen. Two officials of the CQA(PP) have been transferred.

An inquiry into the circumstances leading to the acceptance of sub-standard grease and the alleged change of samples in the Test House of CQA(PP) has been ordered. DGS&D has been advised to (a) ask M/s Krishna Grease Manufacturing Company to replace the rejected consignments; and (b) to withhold payment for supplies against this supply
